Sir,

JK With reference to G O No 1456-7/12 76-28-2 dated 16-8-1928 sanctioning a revised estimate for Rs 2 368/- for the - excavation and widening of the Municipal well at Turuvekere I have the honor to state that the President Municipal Council Turuvekere now reports that the well work was completed and that the estimate was placed before the Council and discussed and that all items - embodied in the estimate were passed except item No XII which - constitutes the provision of a sum of Rs 150/- for bailing out water. He further states that the work was progressing well when owing to heavy rainfall the tank got a considerable supply of water as a - result of which the sides of the well slipped off and that to repair the same an additional sum of Rs 145/- was expended with the consent of the Municipal Council as per nominal roll and that the said excess amount was met out of the savings of the total estimated cost. He requests that the orders of Govt may be obtained to pass the final bill without revising the estimate.

2) Thereupon the Municipal President was requested to submit a revised bill as per Section 241 (11) (b) Municipal Manual Part II with instructions to keep 10% of the estimated amount in reserve and to pay the balance to the contractor who was pressing for payment. He now submitted the revised estimate and the resolution of the Municipal Council.

3) I therefore request you to kindly accord sanction to the revised estimate. The copy of the resolution of the Municipal Council
